

Feel the cool spray on your face as the hot sun beats down.

You are the captain of your craft, in tune with your surroundings.

The way you

PLAY

today sets the course for your sport.

So be

NICE

to boaters around you,

stay the course -

respect the waters.

Our mission is to empower generations to enjoy the outdoors responsibly through education and stewardship. So join us. Launch your boat only at designated ramps. Be courteous to others in the water. Leave a good impression. It's up to you to be an ambassador for your sport and the great outdoors. For more ways to minimize your impact, go to www.treadlightly.org or call 1-800-966-9900.
