

Rule the waves.

Have fun.

PLAY hard.

Just remember to be

NICE to the fragile shorelines,
and avoid riding in shallow water.

Our mission is to empower generations to enjoy the outdoors responsibly through education and stewardship. So join us. Avoid fragile shorelines. Avoid riding in water less than two feet deep. Be courteous to others in the water. For more ways to minimize your impact, go to www.treadlightly.org or call 1-800-966-9900.
